TOWN OF PHILIPSBURG RESOLUTION ADOPTING A NEW HAZARD MITIGATION PLAN WITH ADDENDUM AA

WHEREAS, the Town of Philipsburg recognizes the threat that natural hazards pose to people and property within our community; and,

WHEREAS, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and,

WHEREAS, an adopted Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple Federal Emergency Management Agency pre- and post- disaster mitigation grant programs; and,

WHEREAS, Philipsburg is located within the Western Montana Region Planning Area, and fully participated in the mitigation planning process to prepare this Hazard Mitigation Plan.

NOW, THEREFORE BE IT RESOLVED, that the Philipsburg Town Council hereby adopt the Western Montana Region Hazard Mitigation Plan (2024-2029), as the Town's official Hazard Mitigation Plan with attached Addendum AA (Addendum AA being fully incorporated and part of said Hazard Mitigation Plan for the Town of Philipsburg); and,
