

Resolution No. 2024 - 10

To recognize HDR as the integrator for the Town of Philipsburg's SCADA system

Whereas, SCADA systems are for Supervisory Control and Data Acquisition, and are used by the Town of Philipsburg's Public Works Department.

Whereas, With this resolution, the Town of Philipsburg recognizes that HDR or current HDR personnel that have been, and continue to be the Town's integrator for the systems. This has been the case for several decades.

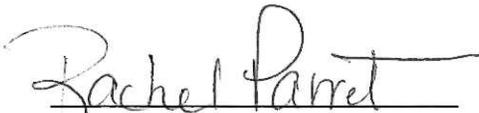

Whereas, This fact does not preclude the Town from considering other vendors, however the Town currently finds it advantageous to work with the system integrators with HDR, due to their long familiarity with Philipsburg's system.

Now, Therefore, Be it Resolved By the Town Council of Philipsburg that Philipsburg wishes to recognize HDR and associated personnel as the SCADA system integrator for Philipsburg. From time to time, this resolution may be reviewed and modified by the Town Council.

Adopted and Passed by the Town Council of Philipsburg this 17th day of September, 2024.

By: Daniel Reddish
Mayor the Town of Philipsburg

Attest: Rachel Parret
Clerk and Treasurer of the Town of Philipsburg
